October 3, 2011, through January 20, 2012**

Return forms to:

**Paradise Valley Unified School District, District Administrative Center
Instructional Support Secondary
15002 N. 32nd Street, Phoenix, AZ 85032**

Parents are invited to pick up Open Enrollment applications for the 2012-13 school year at the Paradise Valley Unified School District Administrative Center beginning Monday, Oct. 3, 2011, at 8:30 a.m. Parents may also download an application from our website: **PVschools.net**. Applications must be returned in person or by mail to 15002 N. 32nd St., Phoenix, 85032 by 4:30 p.m. Friday, Jan. 20, 2012. Completed applications may also be turned in to your school office on or before Jan. 20. Late applications will be placed on a waiting list.

Only schools or programs with capacity for more students will participate in open enrollment.* Students currently attending a school under the open-enrollment process do not need to reapply, but those open-enrolled students moving on to middle- or high-school must apply for their desired **middle-** or **high-**school if that school is not their school of residence. Applications for siblings of students currently participating in open enrollment must be submitted for consideration, and will receive priority status in the process.

Parents will receive notification by mail of the approval or denial of their Open Enrollment applications in the spring of 2012. Open enrollment status is *not* determined on a first-come, first-served basis. *Everyone applying during the open enrollment period has the same opportunity for acceptance.*

After March 1, **out-of-district** parents may submit Open Enrollment applications to the principal of the school they wish their child(ren) to attend, if they missed the OE period. Principals will then notify parents of approval/denial or of waiting list status as soon as they are able to determine space availability.

Please share this information with neighbors, friends and family whose children do not currently attend a Paradise Valley school. We would love the opportunity to provide a quality education for those children too!

*NOTE: At this time, Wildfire Elementary School is closed to open enrollment, but applications will be accepted for the new elementary school, Elementary No. 32, which will open in the fall of 2012 in the Fireside area, south of Deer Valley Rd., at 3725 E. Lone Cactus Dr.

Parents are reminded that transportation is not provided for open-enrolled students.
