

Paradise Valley Unified School District #69
Middle School Activity Permission Slip
Revised 3/10/09

Dear Parents:

The Paradise Valley Unified School District has a wide variety of after school activities that include Student Activities, Festival Sports, and Festival All Stars. All of the above mentioned activities are open to all students and physicals are not required. A fee will be charged for each activity and the fees will vary depending upon the activity. The Middle Schools' administration and sponsors enthusiastically encourage your child's participation.

Activities run 16 days and practices/meetings are held on each school's campus. Each school runs different activities based on the needs of the students and the availability of adult sponsors. Past activities at our middle schools have included: math, chess, soccer, fitness, cross country, cooking, archery, scrap-booking, spirit squad, weights, study hall and more. If your child has an interest, have them contact the athletic director at your school. Students may be suspended from participation for poor sportsmanship, disrespect or destruction of property.

Participation depends on the following:

- Signing up by the announced deadline (parent permission form must be on file for each activity)
- Paying the participation fee
- Proper late bus paper work on file if necessary
- Continuous participation requires appropriate student conduct and attendance

I have read the above information and give permission for my child to participate in the Paradise Valley Unified School District's middle school Intramural, Festival or Festival interscholastic program. I understand that continuous participation in these programs and access to the late bus is dependent upon appropriate student conduct. All spectators are expected to exhibit good sportsmanship during all practices, Festivals and competitions.
