## Optional Student Learning Style Input

Student Name \_\_\_\_\_ Date \_\_\_\_\_  
First & Last

Boulder Creek teachers and administrators are committed to creating the most successful classroom learning environments for all children at Boulder Creek based on a knowledge of individual students and research supporting highly effective student groupings. *This optional form is provided for parents to provide input in the placement process and provide additional insight into the most conducive learning environment for their child.*

*Please return to the Boulder Creek administrative office.*

Please provide insight into your child's learning style, suitable learning environment, and social needs. Thank you.
