

# CREST

Center for Research in  
Engineering, Science  
and Technology

Est. 2010 at Paradise Valley High School

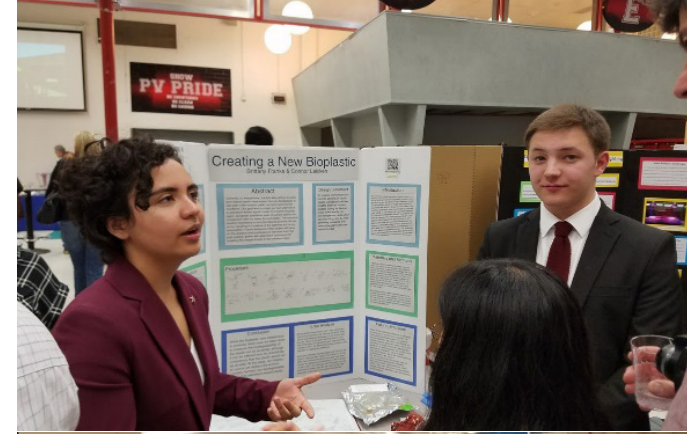

The Center for Research in Engineering, Science and Technology, CREST, will host an Open House on January 16, 6:00 - 7:00 p.m.

This is an informal meeting where families and students can learn about the opportunities available at Paradise Valley High School and the CREST program.

Topics for this meeting include:

- An overview of the CREST program
- An overview of the CREST curriculum
- A tour of the facility
- Answers to all your questions

For more information on the CREST program and links to register to Tour, Shadow, and apply, please visit the CREST website at [www.pvschools.net/CREST](http://www.pvschools.net/CREST).
