

FROST

(Free Resources for Online Student Tutoring)

Tutoring for Students, by Students

frost.pvschools.net

What: Free online tutoring for all grade levels!

How: Login to your email/PV Schools account, join our Google Classroom at <https://tinyurl.com/1819frost> with code **ht9znu**, and post a question/request - check back later!

Who: A cadre of highly successful high school students monitor the classroom and provide guidance and help.

When: FROST is monitored primarily Monday through Thursday from 4PM to 6PM (except holidays). If questions are posted during this time, the response should come pretty quickly. Questions posted outside that time (or on other days) will be responded to as a mentor is available.
