Meeting called to order at 3:00 pm

Minutes: The minutes from the Dec 15, 2016 meeting were read and reviewed. A motion was made to accept the minutes, the vote was unanimous. The minutes are posted on the website after they have been approved.

Rubric: Everyone filled out the rubric and it will be sent to district.

AZ Merit: Preliminary calendar was handed out. We are going to double up on grade levels. Kids and parents like it better if it is spread out over the month of April. Not as stressful for students.

Conferences: Parent Conferences will be conducted next week. The conference hub was sent out and most parents have signed up already. The 5th & 6th grade are run like middle and high school. Add directions to conference hub. Possibly add blocks to conference hub for 5th & 6th grades.

Parent Satisfaction Survey: Will be coming out at 6:00pm tonight. We look forward to the feedback.

Compass:

The worksheet was handed out with more information. We now have a new format. The old format was five years at a time.

We want to make sure that students are never missing a field trip or tax credit class if they want to attend. STAT looks at diversity in academics. We want to level playing field for students. We will be looking at what else can we do.

When looking at Field day we used to group students by weight and height. Now for it to be more equitable we just put them on teams.

We will be looking at dedicating time for class chats.

For the Good of the Order: -

- Concern about anxiety due to honors kids continually bringing it up and making the other kids feel bad and putting pressure on the non honors kids.

Meeting adjourned at 4:10pm
