Meeting called to order at 3:00 pm

Minutes: The minutes from the Oct 20, 2016 meeting were read and reviewed. A motion was made to accept the minutes, the vote was unanimous. The minutes are posted on the website after they have been approved.

STEM Update: We have a parent who is a designer for the STEM room to see what we need. Additionally, we are looking at updating science lab and the new Maker Space room (iPad lab). A list of items is being made of what we need to change, and then she will bring back recommendations (seating, desks, etc.). We are creating a STEM committee to go to look at Copper Canyon.

Mrs. Oakley is a geologist. She wants to create database in Google drive for teachers to have access to different STEM specialist to use for instruction.

Instead of the AZ Science Center coming out to talk to each class individually, we are considering a STEM extravaganza from AZ Science Center for the day (and also include some parents). They will work with the kids and at the same time conduct Professional Development with the teachers.

Ms. Coppola and Ms. Cavolo continue their training and are looking at curriculum we will be using. We should be ready by January.

Parent Liaison Meeting: We have our Parent Liaison list done and we will be getting out the invitations for the meeting.

20th Year Celebration: For the 20th year celebration, we will be doing a carnival on March 4, 2017. Suggestions were made to bringing in Pinnacle Band/Cheerleaders for pep rally, etc. We want to display all old yearbooks, t shirts, pictures, etc. Invite alumni and past teachers. Possibly have an agenda for parents.

Dec Meeting: Yes on Dec 15 at 3:00pm

Dyslexia: Will talk about at next meeting.

For the Good of the Order: -

- PTO will be sending out flyers to only to youngest or the oldest

Meeting adjourned at 4:10pm

Next Meeting: Dec 15, 2016
