

## **PAWSitively Kind Citizenship Program**

At Boulder Creek, we are PAWSitively Kind. Meaning, we are **P**olite, **A**ccountable, **W**ise, and **S**afe. (PAWS).

There are clear and concise expectations for students within all areas of the building that match our PAWS framework. Teachers will be continually teaching and positively reinforcing these expectations. Students can receive PAWS tickets for exhibiting our expectations.

If expectations are not being met, there will be a tiered system for all staff to follow with common vocabulary and actions.

### **Tier One: Private Redirection Conversation Between the Teacher and Student**

- What are you doing?
- What is the expectation?
- What will you start doing?
- Teacher restates the expectation

If the behavior continues.....

### **Tier Two: Private Redirection Conversation with Reminder of Next Step**

- Repeat Tier one questions
- State clear consequences of continued behavior
- Remind that the next step will be a reflection sheet to go home

If the behavior continues.....

### **Tier Three: Student Reflection Form to Go Home**

- Student goes to reflection area in the classroom to write statements for reflection
- The teacher will share the reflection form that day with parents and administration via email.

If the behavior continues....

### **Tier Four: Restorative Circle with Parents, Teachers, and Student**

- Front office informs parent to come to Boulder Creek for a short 10 minute conference with the teacher and student regarding the behavior or issue.

For major behaviors, students will be referred directly to the office.

**Lunch and Recess-**

Students will continue school expectations during lunch and recess. During this time, our recess and lunch staff will follow the same tiers should behaviors arise. If a student needs to fill out a reflection form to go home, the teacher will be notified and this will take place in the classroom.

At Boulder Creek we thank all of our exceptional students for being **P**olite, **A**ccountable, **W**ise, and **S**afe. We are PAWSitively Kind.

Thank you for your support!
