

Sidewinder Camp 2021

Date: Tuesday, August 3, 2021 Time 8am-1pm

Welcome to the DSMS Family!

Sidewinder Camp provides incoming seventh grade students (and new 8th grade students) at Desert Shadows with the opportunity to meet new friends and become familiar with the campus before school starts.

Each activity is designed to familiarize students with our campus and ease any anxieties that students may have with coming to middle school. Students will be placed in groups led by current Desert Shadows teachers as well as former DSMS students.

Throughout the camp, students will learn about the various activities and different ways to get involved on campus. Campers will also get an "inside scoop" of school procedures and tips for the first day of school.

PV Schools and DSMS are careful to follow all CDC guidelines for group activities. Group sizes and distancing expectations will be monitored. All precautions will be attended to as a top priority.

***Additional copies of Registration Forms found on DSMS Website**
