# School Council Minutes

Eagle Ridge Elementary School

## Regular Meeting

Date: 10/10/17

Time: 9:45-10:15

**Call to Order:** The School Council meeting was called to order in the Conference Room at 9:50am on Tuesday, October 10, 2017.

**In Attendance:** Allison Barbor (Principal), Jennifer Penoyer (Assistant Principal), Diana Flanery (Teacher), Val Raffi (ESP)

**There was/were visitors present:**

None

**Approval of Minutes:** The 9/12/17 Minutes were approved.

**Agenda Items:**

- School Connect Follow-Up - we've changed time of school council meeting to accommodate two parents who said they could join us. We are also going to reach out to Pastor Pace and Anthony to see if they want to join School Council. NVBC also wants to do coffee and donuts - maybe conferences or around Thanksgiving. Also, Niki or Cindy from CCV Neighborhood group. Cindy works for Earth museum and we are hoping she can come out during STEM week to do free presentation for kids. Trying to continue our connections.
- Attendance and Tardies - Kindergarten won the first prize - Target gift card. Trying to get a variety of places. Erica and Jen are working on sending out letters to various places for donation. Will add recognition of winner in newsletter.
- School Letter Grade - We went down to a C, but we did receive recognition for our growth. Different criteria. Steve Jeras is coming out to share data and explain the system to teachers. We need to look at bigger picture - positives, Muttigree, SW, TERRIFIC, we are making them well-rounded and not just preparing for the test. New test and it's been 4 years since we have been graded. We were compared to others comparable schools and we got an award for showing growth. It changes each year, depending on the starting number, on who we will be compared to.
- PD for Teachers - PD department is creating lists of classes that teachers can sign up to take, rather than the school directing them to take certain ones. It's optional, but a lot of teachers have signed up for them. Both during and after school hours of offered. Additional PD geared towards teacher need and growth. During school day, teachers get development but not growth. On own time, PD is growth and development.

**Good of the Order:**

Flanery - accolades for the whole rock day. Everything went well and was impressed with the

day.

The meeting was adjourned at 10:13 a.m.
