TOPIC	DISCUSSION	OUTCOME	PERSON RESPONSIBLE
<p>Success of Love Our Schools Events-Oct.</p>	<ul style="list-style-type: none"> ● Huge success; big turnout from community; Grace Bible brought a lot of volunteers, and there were a lot of staff members. We completed all projects we wanted to get done. ● Some volunteers left a little early - this put a large burden on the the remaining volunteers. Hopefully we can stress a full day commitment next year. We could also do a better job of designating certain groups so they know to start and finish their jobs. ● Still need to finish up the KG words on the sensory path and figure out a way to maintain/upkeep the paint on both elementary and KG paths. ● Sensory path inside is still being worked on - we need to calculate amount of vinyl, purchase vinyl, cut and place vinyl. ● Crystal asked about the church coming in the spring. Katrina affirmed that they want to help with building an outside classroom under the back 	<p>Information</p>	<p>Katrina Group</p>

	<p>ramada. Contact will be made in January.</p> <ul style="list-style-type: none"> • Emily’s Garden still an idea, as well. Open it up, fix and/or remove benches/tables, make it a space for staff/students. • Bathroom quotes - painting 		
Summer Projects from District	<ul style="list-style-type: none"> • Requests were made and we are on the list for carpets in A building, interior paint in A and B buildings and painting of exterior buildings on entire campus. • As time nears, we will hopefully have the chance to be part of color/style selection. We will request input from staff, students, community, as well. 	Information	Katrina
Furniture budget- What to spend it on?	<ul style="list-style-type: none"> • We get about \$10k every year to spend • Considered purchasing blinds, but we don’t want to put those in if we are getting painted this summer • Teachers have been asked to submit wish lists - we are getting everything from teacher chairs to student desks. After wish lists are made, info will be presented to School Council for discussion/approval. Our goal is to get everybody something new • Val asked about a bathroom in the office. It’s a safety issue for outside people to walk far into the building. Katrina has mentioned it to Dr. Guerin. 	Gather Information	Group
Technology Budget- Approval for spending	<ul style="list-style-type: none"> • ILast year of technology funds - \$40k • We have 150 Chromebooks that will not be able to be updated starting in January, so they won’t be supported by PVUSD, and we won’t be able 	Information	Katrina Group

	<p>to use them for testing. They will work for classroom activities, like Prodigy, etc.</p> <ul style="list-style-type: none"> ● We can purchase 170 Chromebooks with \$40k budget. But in June 2019, we will have 120 Chromebooks that will not be update-able. Not sure how these will be replaced - not sure how technology will be funded. Maybe a bond in November?? ● FAC is proposing 5 teacher Chromebooks and the rest of money towards student Chromebooks. ● Not sure how doc cameras/projectors are looking - if we use all money on Chromebooks, this leaves us nothing for media cart needs. ● Katrina proposed to committee that we approve 5 teacher chromebooks and the rest of money go to student chromebooks. Passed unanimously. 		
<p>Good of the Group</p>	<ul style="list-style-type: none"> ● Katrina has sent out a survey to gain staff feedback on her first half of the year, so she can grow as a leader (actual survey was sent by our PVEA reps, Guenley and Fowler. ● Katrina would also like to get community and student feedback ● Katrina thanked the PTSA for all the activities these past 2 months and the upcoming month activities ● Val's paperwork was audited this morning and she passed with flying colors 	<p>Gather information</p>	<p>Whole Group</p>
