Agenda Items:

Story Night

- Loved it! It was fun to see the families doing a craft together. It was extremely packed and everyone looked liked they were having a wonderful time. Miriam and Chris did a great job putting it on again this year.

Grandperson's Breakfast

- The food was much better this year. Everyone had a great time. The PTSA had some nice door prizes for the families. I think the families love the prizes every year. PTSA did a great job putting this event on for the families.
- Student Council's Thankful sales went well. They made \$50-60 from the grams. The students enjoyed working at the sale and have fun doing it.

6th Grade

- Overnight Zoo Field Trip
 - The students had a great time. It is a good bonding experiences for the grade. The Zoo program was different than last year. Since Zoo Lights is happening at the same time as the trip the zoo does different educational activities. The staff had mixed feels about which trip was better the one with Zoo Lights or without it. Zoo light were fantastic, but didn't see as much of the animals. However, it was a great bonding experience for the the grade level. The May time program was more educational. There are pros and cons to both trips. The 6th grade team is

going to continue with this field trip next year.

- Our 6th graders went to Mountain Trail on Monday to get ready for MS. The students were excited to get their paperwork and register for middle school.

Strings and Chorus

- There wasn't a school performance this year. The teachers missed the school performance. The night concert was terrific and a ton of fun!

Upcoming Events

- Spelling Bee Dec. 13th
- Band Concert Dec. 18th
- K Performance Dec. 22nd

School Council Rubric

- The team completed the School Council Rubric. The members discuss item number 2 soliciting items for their groups. The team came up with a plan on how to receive other agenda items from the group. We are going to work on improving in this area.
