Approval of Minutes: The March 6, 2018 minutes were approved.

- Read It Off/Work It Off Program from last month's agenda: The idea was brought to FAC. Teachers on FAC felt the program was more of a negative consequence and it might turn students off of reading. Another concern was that a parent might have taken it out of the backpack and misplaced it, especially for students in the primary grades. In this case, it's not the student who lost it. We will continue having conversations with staff, PTSA, and other stakeholders before we make a final decision on implementing the program or if there is an alternative idea we can consider.

Agenda Items:

- School Connect - **Mural:** Allison shared the photo idea/drawing from the artist. Ocean/waves with inspirational quotes. Possible rock fish to tie in with painted rocks and the book that was read to create the rock garden. Possibly add Loving our School Rocks somewhere on the wall. Council members questioned the ocean theme and suggested a rock/desert theme. If we still wanted rocks, an idea was to turn the rocks into desert animals. Another idea would be to do desert flowers along with desert plants/landscape and an eagle flying. Keep inspirational sayings. Allison emailed the artist to ask for a desert scene photo idea/drawing. **Home Depot:** we will ask Home

Depot to donate paint again.

- New principal - Katrina Dieck, current assistant principal at Shea Middle School. She has been invited to come over and meet the staff before the end of the year.
- Teacher Recommendations/Parent Input Form for next year's classes - Optional parent input form is on the website and was posted with the school newsletter.

Good of the Order:

None

The meeting was adjourned at 10:14am.
