

North Canyon Families,

This past year has presented challenges for many families in the Paradise Valley Unified School District. We want our PVUSD students, staff, families, teams, clubs, and neighbors to enjoy a safe summer and 2021-2022 school year.

That's why PVUSD is pleased to offer the COVID-19 vaccine to students, families, and staff of PVUSD. With the vaccine, the spread of COVID-19 has slowed and as more people get vaccinated, our community will be more protected.

In partnership with [Neighborhood Outreach Access to Health \(NOAH\)](#), a nonprofit healthcare provider serving Maricopa County, PVUSD is offering the COVID-19 vaccine to you!

Anyone within the PVUSD family 12+ can get vaccinated, including:

- Students
- Parents
- Siblings and other family members
- Staff

NOAH will offer the Pfizer two-dose COVID vaccine, which is approved for individuals 12 and older, on-site at PVUSD's North Canyon High School. The vaccine is FREE for everyone.
