

## Parent OnRamp

Welcome to PVSchools!

As a parent/guardian in PVSchools, there are many resources available to you and your student(s).

Infinite Campus (IC) is our Student Information/Grade Book system. Parents/guardians automatically have an IC account so that they can monitor their child(ren)'s grades, attendance, etc.

To access your IC account - please go to [password.pvschools.net](https://password.pvschools.net). Enter the email address that you provided when you registered your student. You will receive an email with a link to view your username and password.

Once you have your username and password, you may log into Infinite Campus at [portal.pvschools.net](https://portal.pvschools.net).

Within IC, you will be able to see information for your child(ren). In addition to schedule, grades, and attendance, you have access to your child(ren)'s usernames and passwords.

Your child(ren) also have an Infinite Campus account, as well as a pvLearners account (gmail, docs, etc.), and various other accounts to online resources.

To access any of these student resources, you must log in through your child's account, using his/her username and password. To view resources available in PVSchools, visit [auth.pvschools.net](https://auth.pvschools.net). Please note, not all resources listed on auth.pvschools.net are available for all schools and/or students.

If you experience problems accessing your IC account, please call 602-449-2392.

**IMPORTANT:** PVUSD assigns parent passwords. NEVER change this password! If you do, your access will be broken.
