## Parent Drop Off and Pick Up Plan

### Key to School Map:

- **Yellow** Arrows indicate flow of vehicle traffic
- **Green** Arrows indicate flow of Bus Only traffic
- **Red** rectangles are areas of student traffic and crossing \*(These areas require your full attention at all times)
- **Yellow** rectangles are areas for students to be picked up by parents vehicles

**Drop Off:** There are 2 drop off points on campus for parents of students in First through Sixth Grade. They are:

1. The backside of the building in the pull through area.
2. The south side parking lot, only at the curb.  
Do not double park, you will be asked to move.

**Pick Up:** There are 3 pick up points for students and families at WWA.

We ask that you read through these points carefully and select what will work best for you and your family.

1. Pick up is at one of the two designated spots in the backside pull-through. These spots are on the backside of the building in the pull through area. If you have multiple children, they should be ready to meet you at your vehicle. **Meet up spots are always at the youngest child's grade level pick up designation.**
2. In the south parking lot, parents may pick up curbside only. Do not double park, since it becomes a safety hazard and is inconvenient for other drivers. You will be asked to move.
3. Parents may park on the East side of 43rd Street and walk up to meet your child in the front of the school or park at the church south of the school.

### **NOTES:**

- All parents who use the backside pull through **MUST** drive slowly. Please yield to any bus entering the parking lot on the north side of campus.
- There is absolutely **no** additional foot traffic allowed across the bus loading zones (North side of campus in the parking lot). Bus zones are marked with a white "X".
- The red rectangles are stopping points where parent traffic will yield to pedestrian crossing points or other vehicles. Parents do not pick up students while in your vehicle and not in a parking spot.
- We would encourage parents who are new to WWA to drive through the pull through, prior to the first day of school or on the first day to familiarize yourself with these areas.
- **NO Morning Drop Off prior to 8:35 AM**, unless you are in the Mascot Program.
- Breakfast Drop Off in the south lot and students can walk directly through the gate into the cafeteria after 8:35 AM, no earlier.
- Gates open for students in grades 4-6th at 8:38 AM and 8:48 AM for K-3rd grade.
- Dismissal for students in grades K-3 is at 3:05 PM and 3:15 PM for grades 4-6th. Older students with younger siblings can arrive and be dismissed at their younger sibling's time if parents need. Please communicate with your older child's teacher.
