

Meet Your WFES Staff

DR. STEPHANIE DINNER

Hello! I am the Wildfire school psychologist. This will be my seventh year at Wildfire. I'm originally from Cleveland, Ohio, which helps me to always appreciate the sunshine and blue skies of Arizona. I am proud to be an Ohio State Buckeye and a U of A Wildcat.

What I Do

- I love working with parents, teachers, and, of course, students!
- Evaluations and meetings are a big part of what I do at Wildfire.
- I enjoy brainstorming solutions to problems.

Outside of School

When I'm not at Wildfire, I enjoy spending time with my family. I have two young boys who keep me very busy! When I have free time, I love to cook, read, or catch up on my favorite reality TV shows.
