# Meet Your Speech Teacher

## DR. GRAVES

My name is Tracey Graves. I am the speech-language pathologist for our building. I was born in Ohio and received my doctorate from The Ohio State University. This is my 11th year at Wildfire Elementary School! I provide speech and language services to our students and look forward to meeting and working with new friends each year.

When you see me on campus, please say hello!

## About the Class

- We talk a lot!
- We enhance our speech sounds.
- We work on listening skills.
- We improve language skills.
- We practice the rules of communication.
- We use strategies to improve comprehension skills.
- We make friends.
- We have fun.
- We respect each other!
