Meet Your Teacher

MRS. MATTESON

I have taught Special Education for 6 years, all of which have been at Wildfire. For the 2020-2021 school year, I will be teaching 4th-6th grade Resource. I have a Masters Degree in Special Education and also Curriculum and Instruction.

About the Class

My classroom utilizes small group instruction to support the learning for individual student goals. I teach reading, writing, and mathematics incorporating individual needs with grade level curriculum. I also support students in their general education by helping teachers with accommodations and modifications.
