Trouble Logging In?

If you have tried to log into the Campus Portal and received an error message directing you to see your System Administrator, please follow the directions below.

Retrieve and Confirm your Password:

1. Go to <http://password.pvschools.net>
2. Submit your email address the school has on record, and be sure to check your email within the next hour. You will have one hour to access the link provided and retrieve your user name and password.
 - Your email address must match the email address the school has on record. If you do not remember which email address you provided to your student's school, or you have not registered an email address with the Paradise Valley Unified School District, please contact your student's school.
