

Open Enrollment Variance

On October 8, 2020 during its regularly scheduled meeting, the Governing Board of PVSchools approved the following open enrollment variance:

Students enrolled for the 2020-2021 school year through the 2023-2024 school year, PK-6 at Fireside, Desert Trails, Wildfire, and remaining continuously enrolled at Fireside, Desert Trails, Wildfire, or Elementary #33, will be granted an open enrollment variance to Explorer MS.

Families seeking an open enrollment variance would apply through the regular open enrollment process and, upon determination of meeting the criteria above, would be guaranteed placement at Explorer MS. Transportation for open enrollment variances would not be provided. A traditional open enrollment application could be submitted for consideration for siblings.
