

# Stay Engaged: Summer 2020!

The Paradise Valley Unified School District is encouraging students to stay engaged this summer and continue their learning! Google Classrooms will be available for students to join and get access to educational resources that reinforce content, skills, and learning from the previous school year, as well as allowing students to explore new resources and interests. Google Classroom class codes are listed below. Students must log in with their pvlearners email account to access the classroom. Weekly content will be posted from now through July 24th.

Educational opportunities include English Language Arts, Mathematics, Science, and Social Studies. Other high-interest opportunities might also be included in the weekly classroom resources. These activities are provided for student use, to supplement and encourage summer learning, and will not include direct instruction or feedback. Students are welcome to pick content and join classrooms from other grade levels based on interest and educational needs.

## Google Classroom Class Codes

### Primary Grades

Kindergarten, 1st Grade, 2nd Grade, 3rd Grade

**rsb3had**

### Intermediate Grades

4th Grade, 5th Grade, 6th Grade

**x3u4ka2**

### Middle School

7th and 8th Grade

**d43kjzm**

### High School

9th Grade - 12th Grade

**4zr6r4b**

*Happy Learning!*
