## **Athletic Eligibility – PVOnline**

Students who are participating in athletics at district high schools must be passing all of their classes at each of the four quarter-grading periods to be eligible for competition.

The Parent and Athlete Handbook states all students must pass all classes to participate. An “F” grade at any quarter marking period will result in disqualification for a minimum of 15 school days. It is the responsibility of the athlete to apply for reinstatement through the Athletic Director or Assistant Principal. The student must be passing all classes to be eligible for reinstatement. Students who are enrolled in pvOnline classes are held to this standard. PVOnline students must be making progress in online classes at the quarter grading periods by receiving a progress grade of “D” or above to be eligible. If online students are not progressing at a level of a “D” grade or above at that time, they are subject to the 15-school-day eligibility reinstatement process conducted by each high school Athletic Department.

Should you require further clarification on these requirements, please contact Corey Newland.
