

Start your gifted child's education in preschool

Preschool for 4-year-olds identified as gifted

This unique, tuition-based program is open to gifted preschool students throughout the Valley and is offered at four locations.

All teachers are Early Childhood Certified and hold a Gifted Endorsement. Your child benefits from a specialized preschool and highly qualified professionals.

To be eligible for registration, students must have reached their fourth birthday and must score at 90 percent or higher on an IQ test. Parents may seek private IQ testing from a psychologist or schedule testing in the PV district by calling 602-449-2113.

Tuition is \$7,600 per year, paid in 10 monthly installments.

Program highlights

- Emphasis on critical and creative thinking
- Accelerated curriculum
- Integrated technology
- Individualization
- Core content
- Enrichment

Admission requirements

Admittance is a three-part process

1. Gifted testing to qualify for program.
2. Application submitted to the PV Schools Gifted Office.
3. Registration and registration fee paid to PV Schools Community Education.
