### **About Dr. Meng**

Dr. Meng graduated from the highly acclaimed University of Pennsylvania, School of Dental Medicine, one of three Ivy League dental schools. He completed his dental training ranking #1 in a class of 105 dental students.

He continued his Orthodontic training at Ohio State University, one of the most advanced Orthodontic training center in the world. He is also the proud recipient of the American Association of Orthodontics Award for excellence in the orthodontic field.

During his tenure at OSU, he also studied *sports mouthguards*. His mentors were Dr. Deborah Mendel who is the team dentist for The Ohio State Buckeyes and Dr. William Brantley who is a world renowned dental material guru. Dr. Meng's research was published on *Dental Materials* which is the most influential peer reviewed scientific journal in this field.

Dr. Meng studied Human Physiology and received his Ph.D. degree from the University of Florida, College of Medicine. He published many research articles in internationally recognized journals and presented his research at numerous international meetings.

Dr. Meng became the owner of Dr. Richard Sparks' well known and highly respected practice in 2008. Dr. Sparks who is widely regarded as an authority in orthodontic treatment has been making Arizona smile for 40+ years. After 3 years in joint practice with Dr. Meng, Dr. Sparks retired in the summer of 2011. He continues to teach orthodontic classes at *A. T. Stills University* in Mesa, Arizona.

### **Message From Dr. Meng:**

Thank you for the opportunity to introduce you to Meng orthodontics! Our friendly and experienced staff will take extraordinary care of you as well as your children.

Since orthodontic treatment is highly specialized for every patient, my goal is to render superior care for your child at the appropriate time in their dental development by applying the most advanced orthodontic treatment philosophy and technology.

My practice is committed to providing you and your family with exceptional care at a reasonable expense in the shortest period of time.

I look forward to the opportunity to care for your child and give them a positive, memorable orthodontic experience. I am delighted for the opportunity to build a lasting relationship with you and your child, and welcome you to the *Meng Orthodontics* family!

Sincerely,

**Frank H. Meng, DMD, Ph.D., MS**
